1. In response to the Notice of Allowance for the instant Special application, dated March 24, 1998, and prior to the payment of the issue fee, applicant has submitted an **Amendment Under 37 CFR 1.312**, received May 1, 1998, to correct informalities with antecedent bases in claims 67, 71-75, 77, and 79, and to amend the Specification due to the need to divide Figure 9 into Figures 9A and 9B for better legibility, without introducing new matter or requiring any additional search or examination. The examiner has considered applicant's proposed corrections, and found them appropriate, and thus has exercised his discretionary powers to enter the Amendment with said corrections or changes in the claims, drawings and the Specification.
